

why Christianity?

repairing the world

sense and nonsense

passion and compassion

setting things right

being Jewish or Jain or ...

testing beliefs

looking out and looking in God talk

words and the wordless

credibility not credulity

religion and culture

belief and action

conscience

making moral sense

global ethics

being and knowing

the heart of RE

the known and the unknown

stretching the limits

conviction or prejudice?

life endings

world religions and worldviews

science and religion

challenge and change

reason and imagination

the seen and the unseen
